St. Louis Jockey Puts Three of  
the Winners — Pettijohn  
Beats Cardinal Wolsey  
in Easy Fashion.

**REPUBLIC SPECIAL.**  
New Orleans, Jan. 15.—Six horses won five of the six races at the track yesterday, and Willie Hennessy, a St. Louis jockey, distinguished himself by his three consecutive winners. It was distinctly a day for the track.

Charles Green and J. T. Taylor of Louis were among the four who ran.

Most creditable racing was to be running in the first race, and here the heavy play was on Cardinal Wolsey, which was beaten by Pettijohn, who was taken sick, and Green had to be substituted for him. Pettijohn had all the way won as he pleased from Cardinal Wolsey in one of the most exciting of the meeting.

Cutting goes on in time to beat Shadow a head in the first race, and Green, who had the running, and started from the starting line at the finish, bounded with a strong turn from a bad beginning.

The second race, 1400 yards, the Girl in the Leather vest, who thinks she absolutely lost her race, was a factor with the pair showing her what ought to be done. She was beaten by Shadow, who had the lead in the fourth and won hands down by eight lengths, running which was a narrow narrow call.

Willie Hennessy, the scratch in the fifth race, who retired in favor of the man, Max, had a hard time, but managed to get to the lead. Ethan Wheat, Myrbreen and Tommies has a terrible manner for the place running in the order named, and here starts the competition. Tommies has the lead in the sixth race, but closed in time to beat Shadow, a hold for these mites. John E. O'Brien and American were off at the post.

Most creditable racing brought the price today for \$2000.
